LinkedIn | Portfolio

PROFESSIONAL SUMMARY

Content and Marketing professional experienced in content creation, SEO, WordPress, and digital content management across multiple websites. Skilled in Canva, video editing, analytics, content planning, and remote team coordination, with hands-on experience in affiliate marketing and UGC product content. Proactive, organized, and eager to create engaging content that connects with audiences.

KEY SKILLS

Content Creation | Social Media Content Support | Copywriting | Canva | Video Editing | Content Research | Content Calendars | UGC Product Content | SEO Content | WordPress Publishing | Google Search Console | GA4 | Affiliate Marketing (Awin) | Content Strategy | Editorial QA | SOP Development | Workflow Management | Team Coordination | AI-Assisted Content Workflows

PROFESSIONAL EXPERIENCE

Assistant Marketing Manager (Virtual Assistant)

Food Blogging Network — At the Immigrant's Table, My Mocktail Forest, Thermocookery, We Travel We Bond, Renee Nicole's Kitchen, Ruthybelle Recipes (Remote) *Feb 2025 – Jun 2026*

- Supported affiliate marketing across the blog network by researching relevant brands and products and identifying natural opportunities for affiliate placements through Awin and other programs.
- Built and maintained the editorial QA checklist for 450+ SEO articles/month (peaking at 1,000+) across 5-8 sites, identifying duplicate content and formatting issues and supporting content consolidation before publishing.
- Led cross-platform content strategy across websites, MSN, and Flipboard, supervising and mentoring a remote team of 5-7 writers.
- Monitored Google Search Console and GA4 to guide content decisions.
- Managed WordPress publishing end-to-end and coordinated editorial calendars across sites.

SEO Content Writer

Food Blogging Network — same brands as above (Remote) *Sep 2024 – Feb 2025*

- Wrote 16 SEO-optimized food roundups and MSN slideshow articles per day on average (2,400+ pieces over 5 months).
- Crafted headlines and meta descriptions that improved search visibility and click-through rate; conducted keyword research and applied on-page SEO best practices to every piece.
